PRODUCTS OR MACHINERY

Legacy LumaSense products are now part of the Advanced Energy family, adding a line of photonic-based measurement and monitoring solutions that are synergistic with Advanced Energy's leading precision power and control technologies in both semiconductor and industrial markets.

COMPANY BACKGROUND / HISTORY

LumaSense Technologies is now Advanced Energy

LumaSense Technologies, Inc., one of the world's most trusted providers of innovative temperature and gas sensing devices was acquired by Advanced Energy, a global leader in highly engineered, precision power conversion, measurement and control solutions, in September 2018.

You can learn more about Advanced Energy's measurement and monitoring solutions by visiting <https://www.advancedenergy.com/products/temperature-measurement/>
