PRODUCTS OR MACHINERY

Window film is a remarkable product that offers many benefits when applied to existing glazing.

Our specialty is the retro-fit installation of glass protection window film to provide protection in the event of:

- A bomb blast or explosion
- Smash or grab forced entry attack
- Vandalism or accidental damage
- Solar overheating in buildings with film increasing your energy conservation

With many health and safety, building and other regulations and standards relating to glass and glazing, such as:

- Protection against impact with glazing and marking to show conformity
- Manifestation of glazing
- Protection in the event of unforeseen spontaneous glass breakage or failure
- Overhead glazing safety
- Workplace (Health, Safety and Welfare) Regulation 14 Glazing Risk Assessments

The skills and services of Pentagon Protection's team also include:

- Full glazing audit and report
- Glazing risk assessment
- Regulation 14 compliance glazing surveys
- Peel tests to confirm the continued effectiveness of existing film to ensure the adhesive layer has not degraded over time
- Energy Efficiency and Financial Analysis Reports
- Thermal comfort Report
