COMPANY BACKGROUND / HISTORY

Penico Gauges Limited is the global market leader in the design and manufacture of Mould Gauge Equipment. Penico Mould Gauges and Reamers are designed specifically for the checking of I.S. Mould Equipment during its manufacture and throughout the complicated mould repair process. Penico Calibrated Mould Gauge Equipment provides the basis for achieving correct interlocking fits and guaranteed mould interchangeability- important pre-requisites for maximising the efficiency of I.S. machines. Penico's range of precision I.S. gauge equipment provides maximum support to mould repair shops and mould manufacturing operations worldwide, a company dedicated to providing high quality gauging solutions for its global customers.
