PRODUCTS OR MACHINERY

The Semco Glass Group is a single source for your glass requirements, supplying high-quality products that can be used to solve any problem in all relevant areas of application, such as...

- Thermal Protection
- Sun Protection
- Climate Façade
- Security
- Noise Control
- Façade Design
- Specialities
- Interior Constructions and Fittings

Semco offers special glasses, that are specifically suitable for either internal or external applications. Individual applications can be achieved by using a combination of the suitably chosen basic glasses. With correct and professional use of basic glasses it is possible to develop multifunctional products, that can be used to solve a wide range of problems.

If you wish to combine functionality and aesthetics of glass artistically, we offer you functional or multi-functional double glazing windows with artistic finishes or with special inserts, for example, transoms and midrails. In the following section, we describe individual products in more detail and hope to provide you with ideas, suggestions and motivation for making the selection of the correct glass product.
