PRODUCTS OR MACHINERY

Flat borosilicate 3.3 floated glass sheet, borosilicate 3.3 colored and clear glass tubing and rod

Neutral pharmaceutical glass tubing USP TYPE I, tubular ampoule and vial (USP TYPE I), Moulded vial (USP TYPE III)

Glass cylinder, glass chimney, glass lamp shade

In 2006, we developed a "micro float" process for producing borosilicate glass sheet. Over the years we have made steady improvements in glass warping, waviness, and optical quality. Very few companies (Corning's 7740 Pyrex) are capable of producing this type of high quality glass. Our tempered glass is used in the production of major manufacturers, including Saint Gobain, Electrolux, Panasonic and Dimplex.

Company Profile of **Shandong HonHai Industrial Co.,Ltd.**

A service of glasssglobal.com, an affiliate of glasssglobal group.
