## PRODUCTS OR MACHINERY

For all glass container industry visitors, we offer the manufacture of all standard parts, from plunger studs, through to blank and mould arms, not forgetting our Vertiflow upgrades which currently stand at over 650 units converted across the world.

Maysmith offer a problem solving service to help improve efficiency and reliability. We can send our engineer out to visit, or, you are welcome to visit our facility and discuss your requirements.

Over the past thirty years we have supplied special blank and mould arms, plunger mechanisms, neck ring arms, plunger positioners, to name but a few.
