PRODUCTS OR MACHINERY

In an industry as important as the automotive industry, innovation is a must. At GE, we pride ourselves in our ability to bring a comprehensive set of innovative solutions on-car, off-car, and in-plant to meet customer needs and to help them anticipate future needs across the globe. Our portfolio of businesses serves the automotive industry by providing a variety of solutions from advertising, financing, materials, lighting, transportation, automation and healthcare.

Automotive lighting products :

GE Nighthawk™ bulbs combine the power of our high output and super blue lights to give you the brightest GE automotive lamps on the road.
