PRODUCTS OR MACHINERY

Based in California, Gallo Glass Company is family owned and one of the largest glass container manufacturing sites in the United States.

We produce 1 billion bottles each year and deliver Quality, Safety and Environmental Protection, using state of the art automation. We primarily manufacture Wine and Spirits bottles ranging from 187 ml to 4 liter in many different shapes and colors.

We began production on May 10, 1958. Today we operate five furnaces and employ over 800 skilled employees. We are committed to the continual improvement of our people and processes in order to consistently provide customers with the highest quality service and product.
