PRODUCTS OR MACHINERY

After having worked during ten years as commercial director of different french spinning mills, I worked as commercial director for Germany, Austria and all central and eastern Europe by ARC INTERNATIONAL SA.

Early 2003, I established my company and have been working as sole agent of different tableware producers, all over Europe.

I am interested to find qualitative and efficient tableware producers which want to developp their business and take benefit of a potential collaboration between us.

I am ready to study any valuable offer either as a sole agent or as a consultant. I am used to work and travel abroad (not only in Europe).
