PRODUCTS OR MACHINERY

Santek offers a full range of abrasive products regardless of your application or industry. Our wide range includes coated abrasives, coated speciality abrasives, bonded abrasives, bonded thin wheels, non-woven abrasives, mops, buffs, abrasive compounds as well as super abrasives.

As the manufacturer of our products, we offer the unique service of custom designed products for our customer's individual needs and preferences. Volumes warranted, we are willing to deviate from our standard product range and produce a product specifically for your unique requirements.

We also offer a conversion service to all who wish to have raw materials converted or finished products produced under their own brands.
