PRODUCTS OR MACHINERY

Elitfönster is Sweden's largest manufacturer of windows. We produce windows and balcony doors for small houses as well as large building projects. The customer's needs guide our development, both product- and organizationwise. We are at the forefront with our environmental work and have contributed to most of the innovations in our industry. Among other things, we are a leader in the development of energy efficient windows. A majority of the products are sold in Sweden through a nationwide network of app 400 skilled dealers and through our own sales force.
