PRODUCTS OR MACHINERY

Front Lines has extensive expertise in designing, processing and installation of facades of glass and aluminum, doors and windows.

All types of assignments

We handle both large and small projects for commercial, public buildings and private throughout Denmark. Many of our customers are large companies such as:

- Q8
- Danish Electric & Engineering
- VKS Inventa
- Engineering company Jørgen Søgaard

More ideas

We only use approved materials from world renowned suppliers such as Tormax Denmark and Schüco. This combined with our quality workmanship is your guarantee for a durable and beautiful result. We are always ready with advice and a quote. We usually have several different ideas on how a task can be solved, no matter how unique it is.
