PRODUCTS OR MACHINERY

Our approx. 60 staff members always strive to achieve the optimum for you as a client. Aside from a competent and extensive consultancy service, we also provide you with assistance in installation and assembly on request.

We are also involved with glass enhancement and glass trading. Individual products are our speciality: we sandblast, polish, drill, imprint - exactly as per your specifications.

Our central location in the heart of the Hesse region and our modern vehicle fleet, combined with a well-assorted warehouse, enable us to guarantee our clients flexible and short delivery times ("just in time") and fair pricing.
