PRODUCTS OR MACHINERY

Lasvit's glass art designs combine the finest traditions and craft in innovative Bohemian glass making with world-class research and development facilities for design, engineering, lighting technology, and metal manufacturing, all under one roof.

Glass is like a master instrument. Only a true virtuoso is able to breathe life into it, transforming it into beauty. It is our intention, therefore, to combine the creativity and imagination of top designers with the precision and skills of experienced Czech master glassmakers.
