PRODUCTS OR MACHINERY

RND Automation & Engineering, LLC is Florida's premier custom machine builder. RND engineers, designs, manufactures and retrofits custom automation & material handling machinery for industries as diverse as hydraulic valves, automotive sensors, and contact lenses. Our projects range from fully automatic high-speed robotic work cells to operator assisted semi-automatic workstations. With our 20 years of experience in industrial machinery design, we provide our clients with production ready automated equipment that cuts labor costs and improves quality and production rates.
