## PRODUCTS OR MACHINERY

We offer Applied Color Label (ACL) - decorated bottles, novelty bottles, bottles, custom-designed bottles and jars and stock glass bottles in amber, green and flint for:

- Beer
- Soft drinks
- Spirits and liquors
- Pharmaceuticals
- Food
- Personal Care
- Chemicals

Being one of Southeast Asia's glass producers with the most modern glass manufacturing facilities, we can provide faster decision-making and product development lead-time.

Our highly precise, high-quality glass mold production with robotics technology and CAD / CAM System will allow you to view and enhance bottle designs on the spot.

We have a technology that allows production of one-way, environment-responsive, lightweight glass containers that are of the same quality and strength as the heavier kind but are easier to transport and handle.
