## PRODUCTS OR MACHINERY

With its core being made up of former EPG employees, Cat-i Glass today is one of the largest technical flat-glass fabricators in North America.

Cat-i Glass' products are used in more than 40 different markets around the world. As we have for five decades, our company still fabricates products for sight glass, with the capabilities for hundreds of other products in markets such as aerospace, display, instrumentation, lighting, medical, military and scanners.
