PRODUCTS OR MACHINERY

The Rockwool Group is the world's leading supplier of innovative products and systems based on stone wool, improving the environment and the quality of life for millions of people.

The Group is amongst the global leaders within the insulation industry. Together with other building-related products such as acoustic ceilings, cladding boards and our consultancy business, the Group ensures energy efficient and firesafe buildings with good acoustics and a comfortable indoor climate. We create green solutions for the horticultural industry, inventive special fibres for industrial use, effective insulation for the process industry and marine & offshore as well as noise and vibration systems for modern infrastructure.
