Address	<b>AeroAggregates LLC</b> 1500 Chester Pike Eddystone, PA 19022
Country	USA
State	Pennsylvania

## PRODUCTS OR MACHINERY

Ultra-lightweight aggregate provides solutions for the challenges of today's infrastructure and commercial construction projects. Foamed glass aggregate is ideal for projects that require fill to be placed over soft compressible soils or over areas with underground utilities. Large embankments can be built with low net surcharge due to the low unit weight and high friction angle of UL-FGA.

### Company Profile of **AeroAggregates LLC**

A service of glasssglobal.com, an affiliate of glasssglobal group.
