PRODUCTS OR MACHINERY

William Yeoward, already a noted designer working in the field of furniture, lighting, fabrics, and interior accessories, with a store on London's fashionable King's Road, was an avid collector of antique crystal, but felt that there was little contemporary crystal that was truly beautiful. Timothy Jenkins, third generation in the family owned crystal business John Jenkins, founded in 1901, had an intimate knowledge of the European crystal industry and for some years had been making reproductions of antique pieces.
