PRODUCTS OR MACHINERY

Sodium Silicate

PQ's products are crucial ingredients in a diverse set of industrial and consumer applications. Our performance chemicals act as cleaning and whitening agents in toothpaste, create a "matted" finish on surface coatings and remove impurities from beer and edible oils. PQ has capabilities to provide silicates, silicas and derivate products in multiple forms. Our long legacy and market leadership is seen with brands like Gasil ® and Sorbosil ®

Company Profile of **PQ Corporation**
