COMPANY BACKGROUND / HISTORY

100 years of Batch Plant Excellence

EME GmbH is a leading supplier of batch preparation plants, cullet handling equipment and batch charging technology for the global glass industry. In partnership with our customers, we develop and implement world class solutions tailored to their individual needs.

As a member of the SORG Group, along with more than 100 years of experience, EME provides expert support from raw material delivery through to the handling of molten glass and cullet. We offer specialist solutions ranging from single components to complete Turnkey Project. Additional services provided by EME include, project specifications and planning, process technology selection, construction and engineering, project management, installation, and commissioning.

Combined with the companies of the SORG Group and its sister company Shanghai Precision, EME delivers a Truly Global Sales and Service Network to all its Customers.
