

# FRAMELESS GLASS FENCING SYSTEMS

Frameless glass fencing systems now with 2205 DUPLEX STAINLESS STEEL  
for added strength and higher corrosion resistance

Frameless Glass Fencing Systems has always been the market leader in glass fencing and balustrade systems. We believe our product range is in a class of its own. Frameless Glass Fencing Systems has been invented, designed, patented and manufactured by us and we have won a GOLD AWARD in Geneva 2008 for BEST BUILDING INVENTION.

Our systems are designed for the discerning owner or builder who wants the best in quality, style, strength and corrosion resistance. Our 2205 Duplex Stainless Steel products are the perfect choice at amazingly affordable prices.

**2205 DUPLEX  
STAINLESS  
STEEL  
A CLASS  
ABOVE 316**

We specialize in Frameless and Semi Frameless Glass Fencing Systems
