Company Profile

WAM Bulk Handling Equipment Industry (Thailand) Co., Ltd. is one of the subsidiaries under the **WAMGROUP** holding which originated in Modena, Italy. Having been established for more than 30 years, the group has emerged oneself into one of the leading and worldwide group of companies who develop and manufacture several types of products in the field of **bulk material handling**.

The group which comprises of EXTRAC, MAP, OLI, SPECO, TOREX, RONCUZZI and WAM, as a whole, offers a numerous leading technologies in material conveying, extracting, discharging, flow controlling, blending & mixing, sludge handling, solid-liquid separation, vibration, metering, and filtration. Each member emphasizes and specializes in each individual technology.

WAM® Bulk Solids Handling Equipment

- | | | |
|--------------------|---------------------|-----------------------------|
| - Screw Conveyors | - Screw Feeders | - Vertical Screw Conveyors |
| - Butterfly Valves | - Slide Valves | - Valve Actuators |
| - Dust Collectors | - Filter Components | - Screw Conveyor Components |
| - Pipe Elbows | | |

EXTRAC® Bulk Solids Discharging Equipment

- | | | |
|---------------------------|-------------------------|------------------|
| - Automatic Bag Splitters | - Manual Bag Openers | - Bag Compactors |
| - FIBC Unloaders | - FIBC Filling Stations | - Bin Activators |
| - Lump Breakers | | |

MAP® Industrial Mixing Equipment

- | | | |
|----------------------|--------------------------|----------------------------|
| - Ploughshare Mixers | - Ribbon Blenders | - Twin Shaft Paddle Mixers |
| - Cone Mixers | - Shaftless Screw Mixers | |

OLI® Vibration Equipment

- | | | |
|-------------------------------|--------------------------------|-------------------------------|
| - External Electric Vibrators | - External Pneumatic Vibrators | - Internal Vibrators (Pokers) |
| - Flow Aids | | |

WAM® Bulk Handling Equipment Industry (Thailand)

- | | | | | |
|----------------------------|--------------------------------|-----------------------------|-----------------------|----------------|
| • Silo Fluidizing System | • Vertical Screw Conveyors | • Butterfly & Rotary Valves | • Debagging System | • Dust filters |
| • Flexible Screw Conveyors | • Telescopic Discharging Spout | • Ploughshare Mixers | • Micro-batch Feeders | • Vibrators |
-

SPECO® Solids-Liquid Separation Equipment

- | | | |
|-----------------------|-------------------------------|---------------------------------|
| - Screen Presses | - Screw Compactors | - Grit Classifiers |
| - Concrete Reclaimers | - Heavy-duty Screw Flightings | - WASTEMASTER® Compact Stations |

TOREX® Bulk Solids Handling Equipment

- | | | |
|----------------------------|------------------------------|-------------------------|
| - Loading Bellows | - Rotary Valves | - Pinch Valves |
| - Flexible Helix Conveyors | - Level Monitoring Equipment | - Silo Safety Equipment |
| - Loss-in-Weight Feeders | - Weigh Belt Feeders | |

RONCUZZI® Bulk Solids Handling Equipment

- | | | |
|--------------------|--------------------------|------------------|
| - Bucket Elevators | - Chain (Drag) Conveyors | - Belt Conveyors |
|--------------------|--------------------------|------------------|

Enclosure with this letter, we have illustrated one application among which could be suit your process of manufacturing.

| 1. WAM | SILOTOP, Silo Venting Filter | 15. EXTRAC | SBB, FIBC Dischargers |
| 2. TOREX | IPE, Electronic Differential Pressure Meters | 16. WAM | VE, Vertical Screw Conveyors |
| 3. TOREX | ILS, Continuous Level Measurement Devices | 17. EXTRAC | RSA, Automatic Bag Splitters |
| 4. OLI | MVE, External Electric Vibrators | 18. EXTRAC | RSM, Manual Bag Emptiers |
| 5. TOREX | RVS, Blow-Through Rotary Valves | 19. WAM | ES, Cement Screw Feeders |
| 6. WAM | DCC, Loss-In-Weight Screw Feeders | 20. OLI | I100, Aeration Pads |
| 7. WAM | VFS, Butterfly Valves | 21. WAM | VL, SINT® Slide Valves |
| 8. TOREX | KCS, Silo Safety System | 22. MAP | WBH, Batch-Type Single Shaft Mixers |
| 9. TOREX | LAMBDA, Deflection Flow Meters | 23. WAM | SSC, Shaftless Spiral Conveyor |
| 10. TOREX | BELLOJET®, ZA Tanker Loading Bellows | 24. EXTRAC | RBB, FIBC Filling Systems |
| 11. WAM | MBF, Micro-Batch Feeders with Agitator | 25. WAM | TU, Tubular Screw Conveyors |
| 12. TOREX | ILT, Rotary Level Indicators | 26. EXTRAC | BA, Bin Activators |
| 13. OLI | MARTSHOCK, Pneumatic Hammers | 27. WAM | VCP, Spring-Loaded Pressure Relief Valves |
| 14. TOREX | BELLOJET®, ZA Tanker Loading Bellows | 28. RONCUZZI | EI, Bucket Elevators |
