PRODUCTS OR MACHINERY

We buy and sell used and new glass machines. Because of large stock (up to 150 machines and lines constantly) ERTEKA is able to offer to customers the machines meeting different applications - from single glass grinders, beveller, washer, driller to IG (sealed unit) production lines or complete productions

Thanks to experience of our technicians, ERTEKA offers to customers the used machines meeting different requirements of quality-condition: as it is condition, reconditioned/good working order or completely overhauled with 3-6 month warranty, as well as services like delivery, desmantling, repair, start-up and training, machinery re-location and other technical support before and after sales.
