## PRODUCTS OR MACHINERY

Supplier of Machines for Screenprinting, Labeling

### **STRUTZ 6-SR-12 Industrial Container Decorator**

The 6-SR-12 is a heavy duty decorator designed for 360 degrees screen printing on industrial size containers and pails up to six gallon capacity. It is manually loaded and unloaded and is capable of speeds of up to fifteen per minute.

#### **6-SR-12 Specifications**

10-15 container per minute decorating speeds  
36 inch maximum screen stroke  
12 inch maximum container diameter  
Electrical requirements: 115 VAC/60 Hz @ 15 Amps  
Pneumatic requirements: 80 PSI, 20 CFM

### **STRUTZ CS100 Body/Shoulder Glass Decorator**

The CS-100 decorating machine decorate beverage bottles in one, two or three body and shoulder colors at speeds up to 100 bottles per minute. The patented Strutz bottle Carrier allows full adjustments in both diameter and height. The CS-100 features single registration for between-the-seams label location. Its automatic interlock insures color-to-color registration of labels eliminating any need to re-register.

#### **CS-100 Standard Features**

Available in two or three color models  
Handles ware from 1-3/4" to 3-1/4" diameter and 3" to 13-1/2" height  
Heavy duty construction, designed for 24 hour operation  
Operates at speeds up to 100 bottles per minute with power infeed and outfeed  
Capable of decorating beverage and cosmetic bottles  
Fast job changeover, generally less than 45 minutes  
Automatic interlock insures color-to-color registration  
Captive chuck carriers designed with easily adjustable finish holders and snap-on/snap-off base cups  
Pre wired and plumbed for electrical and pneumatic hook-up  
Air squeegees permit dial-in pressure for consistent quality decoration  
Individual precision stroke setting accomplished quickly and easily  
Air operated bottle steady  
Single registration eliminates the need to re-register  
Standard 10 HP, 230/460 VAC drives can operate auxiliary equipment  
Capable of using organic and inorganic colors in heated screen units  
Electrical safety system with pin point indicating lights  
low maintenance costs

#### **CS-100 Optional Features**

Storage conveyor and single liner

Lehr pullbar stacker and pushbar stacker  
Heated color dispensing pots
