

Address **Valoref S.A.S**
Z.I. la Croisière
84500 Bollène

Country France

PRODUCTS OR MACHINERY

Valoref is the leading recycler of refractory materials in Europe, and is currently developing three additional activities for its customers

for the glass, chemicals, steel-making, petrochemicals and incineration industries, **Valoref** offers total management of refractory materials originating from furnace repairs (total or partial); for refractory specialists and the ceramics industry, **Valoref** produces a whole range of secondary raw materials, produced by valorisation of refractory materials than can be recovered; Finally, for consumers of refractory products, **Valoref** produces and markets manufactured products.

Company Profile of **Valoref S.A.S**

A service of glassglobal.com, an affiliate of glassglobal group.
