Address	4JET microtech GmbH & Co. KG Konrad-Zuse-Str. 1 52477 Alsdorf
Country	Germany

PRODUCTS OR MACHINERY

We supply innovative laser systems for ablation, cleaning, patterning and modification of high-quality surfaces. By combining laser process technology, optics, software and mechanical engineering we create integrated production systems.

Besides our products for photovoltaics, tire manufacturing and automotive suppliers, we provide solutions that enable production of flat panels, functional glass, organic LED and flexible electronics, as well as custom designed equipment for innovative laser processes.

Company Profile of **4JET microtech GmbH & Co. KG**
