PRODUCTS OR MACHINERY

For more than 55 years, OMSO has been designing and manufacturing high-tech machines to print on objects and containers that come in a variety of shapes and sizes. We have five decades of experience enabling us to rank among the leaders in the industry. Our work meets the highest quality standards and OMSO has obtained ISO 9001 certification.

Our production focuses on three basic processes: dry-offset printing, flexographic printing and screen printing. In these fields, the range of equipment can satisfy any production requirements.

An extensive network of representatives and the attendance of major international trade fairs, allow us to reach markets throughout the world, including expositions in Germany, France, United Kingdom, USA, the Far East and South America.
