

Address **IRF Europa Srl**
via Terraglio 117/F
31022 Preganziol

Country Italy

PRODUCTS OR MACHINERY

IRF-Europa is a relatively young company, founded in 1990, yet it is rich in experience with a highly qualified professional preparation.

How is this possible?

Because we employ specialists who have occupied a position of responsibility for more than 40 years in the running and maintenance of glass furnaces in important Italian and foreign COMPANIES, developing considerable experience especially in the field of furnace repair with the system of ceramic welding for refractory material; they are backed up by skilled technicians with specific preparation in the field of Ceramic welding and Hot works repair.

Our competent trusted staff can boast a wealth of practical experience at an extraordinary level to offer you all the advantages of a process that has revolutionised the technique of repairing industrial furnaces.
