PRODUCTS OR MACHINERY

Eastman is a global specialty chemical company that produces a broad range of advanced materials, additives and functional products, specialty chemicals, and fibers that are found in products people use every day. As a world leader in the diverse markets it serves, Eastman is focused on delivering innovative and technology-based solutions while maintaining its commitment to safety and sustainability.

Eastman´s Saflex business is the most trusted name in polyvinyl butyral (PVB) interlayer technology for laminated glazing - delivering outstanding performance and durability, backed by reliable and knowledgeable service.
