## PRODUCTS OR MACHINERY

Printing Systems International Company Limited was set up in 2008 by Marabu Printing Machines Company Limited and partners from Europe and USA. We are a leading manufacturer of pad printers, screen printers, hot stamping machines and accessories with R&D, manufacturing and sales. All machines are built according to CE standard.

With more than 5 top engineers and new technology from our partners, we would like to introduce our production line as follow:

Fully automatic pad printers, screen printers, hot stamping machines  
Universal XYZ pad printers  
Standard semi-auto pad printers, screen printers, hot stamping machines and accessories  
ODM and customized systems

We have been focusing on automatic systems as we believe automation will be our future due to the increasing labor cost and environment protection. And we are professional in offering our customer the most suitable printing solutions.

Our main market is in Europe and USA with a strong distributor network. We sincerely hope you can join us and enjoy our excellent quality, continuous innovation and best service.
