COMPANY BACKGROUND / HISTORY

Tamglass is the world's leading manufacturer of safety glass machines for the architectural, appliance, furniture and automotive glass industries. Tamglass has production plants in Finland, the United States, Brazil, and China and sales and service companies in the Americas, Europe, the Middle East, the Far East and Australia.

Based on its expertise in engineering and process technology since 1970, Tamglass offers its customers in-depth know-how covering a wide spectrum of glass processing: tempering, laminating, bending, bending and tempering as well as wide range of after sales services.
