PRODUCTS OR MACHINERY

We manufacture our "Hard Roc" glass sinks, tile and bakeware with superior qualities that surpass our competition. "Hard Roc" borosilicate glass is a unique formulation that is more scratch and stain resistant as well as being shatter-proof as compared to the soda-lime glass that is currently on the market. JSG Oceana glass is also thermal shock resistant allowing it to take extreme temperature changes without damage. Our products are easy to clean and very hygienic. JSG Oceana sinks carry the UPC certification from IAPMO and have been approved for ADA installation. Our bakeware collection is Freezer, Microwave, Oven, and Dishwasher Safe with oven-to-table serving options.
