Handmade tableware, decorated, pressware, stemware.

Since 1898, art and crystal glass for everyday use has been produced under the brand of Orrefors. At our glassworks in Kosta, our skilled glassworkers are joined by several of Sweden's most prestigious designers in developing the design, craftsmanship and new techniques. A smaller part of our production has been produced at other renowned glassworks, mainly in Europe, since 2004. A few products are produced in Asia. At all glassworks, we use the same designers and in many cases the production techniques developed by ourselves in Småland, Sweden.
