PRODUCTS OR MACHINERY

Saint-Gobain Glass is one of the world's largest manufacturers of flat glass. The Group's first state-of-the-art UK float glass manufacturing plant was officially opened in April 2000. Situated near Selby, Yorkshire this 650-tonne-per-day plant is strategically positioned to service both the UK and Ireland with clear float glass, SGG PLANILUX, of the highest calibre. Working closely with its customers, SAINT-GOBAIN GLASS UK proactively anticipates the evolving requirements of their markets. Since its initial presence in 1949 in the UK as Claritude, its stock distribution activities have expanded significantly. Having adopted the name of SAINT-GOBAIN GLASS UK in 1990, it continues to specialise in the supply and delivery of the entire SAINT-GOBAIN GLASS range to glass merchants, regional distributors, frame manufacturers and industrial, commercial and domestic glass processors.
