Address	<b>Längle Glas GmbH</b> Glas-Befestigungs-Systeme Hauptstraße 3 6840 Götzis
Country	Austria

## PRODUCTS OR MACHINERY

We are a leading company in developing and manufacturing of glass fastening systems and glass fittings. The spread of products reach from simple point fittings to retainers for double imbricated facades. The glass fastening products and fittings could be used for facades, canopy systems, glazing, glass construction etc. The know-how of glass arise from the own glass construction company and gets transferred into new products. As result we offer innovative and high quality products all over the world.

A short abstract of our product range:

- Facade Systems (for imbricated facades)
- Facade Fittings (with joint or rigid)
- Point Fittings
- Spiders
- Balustrade Fasteners (profiles for full glass balustrades, balustrade arms ...)
- Canopy Systems
- Door Stop Profiles & Frame Profiles
