PRODUCTS OR MACHINERY

For more than 25 years, SUNFLEX has been a specialised manufacturer of folding sliding systems (folding door systems), sliding turn & stack systems and horizontal sliding wall systems (HSW). The performance and success of our company is due primarily to our competent and committed employees.

Thanks to the professional know-how of our employees and the guiding idea to always be one step ahead of the competition, SUNFLEX offers a product range which meets the most exacting requirements in terms of quality, function and design and at the same time is highly adaptable to individual needs. The motivation to offer our customers a maximum in performance and reliability is the driving force behind this.

The living spaces of human beings have always consisted of eclectic living concepts. This calls for individual solutions. With its products, SUNFLEX offers the most diverse possibilities to create maximum living spaces and to enhance their usefulness significantly. The SUNFLEX systems are being used in many areas of daily life, for example as

- Glazed Folding Doors
- Terrace and Conservatory Glazing
- Balcony and Facade Glazing
- Store Entrances
- Room Dividers and Dividing Walls
