PRODUCTS OR MACHINERY

"For every energy consumer worldwide we offer the best renewable energy solution - with strong brands and an entrepreneurial organization." We live up to this claim everyday with great success.

With our broad range of solar, geothermal, bioenergy and wind energy solutions we are expanding on all continents and will employ considerably more than 3000 employees in the medium term and achieve billions worth of sales. To achieve our ambitious goals, we need committed and competent employees that passionately apply themselves to both the needs of our customers and the use of renewable energy sources.
