PRODUCTS OR MACHINERY

Performance in the Kitchen – From Beginning to End From the first ingredient to the final clean-up Pyrex ® provides the measuring, baking, serving and storing pieces that help make everything you do in the kitchen go smoothly.

With steady performance you can always rely on, Pyrex glass ovenware is incredibly versatile. Marinate and roast in just one dish...and then on to the table as a great serving piece. Snap on an air-tight lid and presto, a great storing piece that can be popped in the refrigerator and then to the oven or microwave for easy left-overs.

And, of course, clean-up is a breeze since all Pyrex products are dishwasher safe.
