Address	**MAGNECO/METREL, INC.** 223 Interstate Road 60101 Addison, IL
Country	USA
State	Illinois

PRODUCTS OR MACHINERY

Magneco/Metrel patented no cement castables use a unique bond system that allow for outstanding material properties relative to cement and hydratable alumina products. Magneco/Metrel no cement castables have excellent flow behavior, hot strength and thermal shock resistance and are very forgiving in tough dryout applications. These products may be cast, pumped, or shotcrete into place making them very versatile to install. Products are available for most contact and non-contact applications. A broad range of chemical compositions allow for use in nearly any application.

Innovative system for glass furnace construction featuring three of the company´s advanced Metpump cement-free nanoparticulate refractory products: Metpump C190 G, Metpump AZS and Met-Silcast.
