PRODUCTS OR MACHINERY

Sefar Printing Solutions (Shanghai) Co., Ltd., a wholly owned subsidiary in China, established under SEFAR AG, for the supply of ready-to-print fabricated stencils for the CD and glass industries. We are able to supply large format screen printing stencils reaching the maximum frame size of 3.5M x 6M. They are for industrial application of automotive, building, decorative and safety glass. Other products include bottles printing which fill up our full line of production in the field. We are one of the few to adopt the technology of CTS (computer-to-screen) enabling a high Standard, fast and precision. We also provide first-class end-to-end printing solutions and technical support to customers in China.
