## PRODUCTS OR MACHINERY

Leveraging on the technological brilliance, V-KOOL provides you superior solar heat control solutions that meet your requirements. V-KOOL products range from top-of-the-line Spectrally Selective clear films to value-for-money hi-performing coatings that aim to meet your needs. V-KOOL's spectrally selective coatings also enhance the aesthetics and comfort of glass-clad facades. Occupants can enjoy the advantages of natural daylighting without sacrificing on comfort, and high air-conditioning bills.

By choosing the right product at the right price for yourself and your loved ones, you have already made an intelligent choice!
