PRODUCTS OR MACHINERY

Our CENTROSOL solar glasses are low-iron glasses with very high transmission properties and very low reflection values. They are available as clear float glass, smooth on both sides, in the three different transmission stages CST, C and C+, and as microstructured cast glass in the two different surface versions MM and SM

All solar glasses are also available with our Nano-Power anti-reflective coating.

Company Profile of **CENTROSOLAR Glas GmbH & Co. KG**
