## PRODUCTS OR MACHINERY

Our hand-made and automatic production, also thin side glass is made of sodium-potassium carbonate which is neutral to environment and gives the highest quality of non crystal glass. Ideal proportions of ingredients and highly specialized recipe of glass guarantee the highest quality, clearance and color of our products.

Our offer includes glassware such as wine, champagne, cognac and liqueur glasses, as well as glasses for water, whisky, beer, cocktails and juices, bowls and vases also art glass. Products are manufactured in long and short series in order to face the most demanding customers needs. Our manufacturing process is very flexible what enables us to realize the most elaborated orders of our customers.
