Address	OPTUL Spezialglas GmbH Aufeldstrasse 3 94501 Aldersbach
---------	--

Country	Germany
---------	---------

PRODUCTS OR MACHINERY

OPTUL Spezialglas GmbH produces two completely different glass products:

OPTUL QUALITY JEWELS: Glass stones for lead coming and copper foiling and OPTUL IRIS ARC: Intensive coloured glasses for the hot decoration of flat-, hollow-, pressed- and cast glass, as well as for Pâte de Verre

OPTUL Spezialglas GmbH is highly export-oriented. Approximately 80% of the production is sold outside Germany.

OPTUL Spezialglas GmbH is a relatively "young" company but is lead by owners with decades of experiences in senior positions in the glass industry and in glass studios.

We define ourselves as partners and technical advisers of our customers and assure: "We are for sure not omniscient but we will pass our technical knowledge openly."
