PRODUCTS OR MACHINERY

Glass technical training and assistance in lamp manufacturing. Our recommended Company is a Dutch International Consultant Company Founded in 2006 by a former Philips Lighting senior engineer. It is based on a long theoretical and practical work experience in various lighting divisions.

We have cooperated in projects all over the world, with well known and highly recognised manufacturers of incandescent , fluorescent, HID-, halogen-, CFL- and special lamps, glass table ware, hypodermic, bottle, vial and glass container production.

We provide glass training, troubleshooting and glass technical assistance for the glass - lighting industry.
