PRODUCTS OR MACHINERY

Dalmec Industrial Manipulators enable the safe, ergonomic and efficient handling of any product, of varied size and material, from a minimum weight of 12 Kg up to a maximum of 800 Kg.

Each Dalmec industrial manipulator is custom-built to integrate perfectly into a specific environment and interact with the machinery working within it, thus improving your productivity and at the same time allowing you to meet the standards required by the CE Norm 269/90 regarding manual movement of loads.
