PRODUCTS OR MACHINERY

There's nothing like the beauty, colour and originality of stained glass to enlighten a hall or room.

We have a multitude of designs from which to choose, or should you prefer, we can create doors, panels or other stained glass features from your own ideas or specifications, incorporating your own creativity and designs.

All our doors are reclaimed, authentic Victorian and Edwardian and professionally stripped. Glass panels are made using original designs.

At all times we use traditional methods and materials and steel tie bars are fitted to all doors for strength and safety.
