PRODUCTS OR MACHINERY

Kama bottles come in numerous sizes and shapes, used for juice, olive oil and perfumes, with narrow and wide necks for different designs and various products. Any shape could be made according to the customer needs with any cap design. Custom made bottles are made if the customer requires a special design.

With jars being used widely in the food industry, Kama produces a large variety of sizes and shapes to be produced according to the customer specifications and needs. The customer could either choose one of the great variety of designs that Kama offers, or might even ask for a special design to be custom made just for his product
